

## PRE-SOLICITATION NOTICE/SYNOPSIS

Environmental Protection Agency, Region VII, 901 N. 5<sup>th</sup> Street, Kansas City, KS 66101,  
Acquisition & Assistance Management Section (AAMS)

SUBJECT: Laboratory Analysis of Samples - Region VII Environmental Analysis Program (REAP), PR-R7-04-10094 - Estimated issue date is 2/10/04. Contracting Officer, Marie Noel, 913-551-7176. This solicitation is for the analysis of sample material and generation of quality data in support of a large array of environmental matrices to determine the presence and concentration of target analytes. Studies will cover air, water, sediment, biota, soil and the like. Samples may come from any Region VII site in Iowa, Nebraska, Kansas, or Missouri. Contractor shall be responsible for documenting the quality of the data generated. All work shall be performed in accordance with applicable federal, state and local requirements. August 1, 2004 is the anticipated start date. The performance period contains a base period and four one-year options. An indefinite delivery, indefinite quantity time and materials contract is contemplated. Technical proposals will be required. Solicitation will be posted at [www.epa.gov](http://www.epa.gov). Contact Marie Noel at email address: [noel.marie@epa.gov](mailto:noel.marie@epa.gov).
